Beavers Refuse To Give Up

A. C. Hamlin (right hand photo) shows lowland flooded by action of many eager beavers who built a dam six feet above water level on Sunnee Creek which runs through the Hamlin property on Road 621 between Appomattox and Hixburg. Hamlin dynamited one beaver dam, but the beavers were not to be outdone. They went upstream and built a bigger one. The newest dam completely blocks Sunnee Creek and the beavers, says J. A. Smith, extension agent, agriculture, have constructed a smaller dam on the runoff beyond the creek bed. Hamlin is a retired carpenter and now operates his farm, he says, as a "retirement project."

4 - H'ers To Hold Dog Show

The Appomattox County 4-H Clubs have taken on a new project this year in the form of a dog show and chain which is being sponsored by Lawson Ford Co., Inc. of Appomattox.

The Dog Show will be held on May 16th at 2 p.m. in King's Parking Lot here in Appomattox. Trophies and ribbons will be awarded in all classes. Registration will begin at 1 p.m. The show will consist of 10 classes, and will be open to all dogs regardless of breed or mixtures of breeds as long as the dog is owned and cared for by a 4-H'er.

There will be six type classes or group classes. The first will be the Sporting Dog group in which all types and breeds of bird dogs will compete for the trophies and ribbons. The second class will be the Hound type dogs and this group will include all types of hounds from beagles and beagle crosses to Norwegian Elkhounds. The third class will be for all types of working dogs such as cattle dogs, sled dogs and guard dogs. Some examples of these would be the German Shepards, Boxers, Collies, Alaskan Malamutes and St. Bernards. The fourth group will be the Terrier Type Dogs in which all Terriers and Terrier crosses will be eligible to compete such as Airedales, Scotties, and Fox Terriers, both smooth haired and wire haired. The fifth class will be the Toy Type Dog Class in which all small dogs are grouped. This group includes such breeds as Chihuahua, Toy Poodles, Pugs, Toy Manchesters, Pekingese and many others; also crossbred toy dogs will be accepted in this class as in every class. The sixth class will include all the Non-Sporting Dogs such as Boston Terriers, Bull Dogs, Poodles, Chow Chow, and Dalmatians.

The next three classes will be open to all dogs at the show. The seventh class will be the Best Groomed Class in which the judges will be looking for condition of coat, length of toe nails, and over all general appearance of the animals. The eighth class will be the Showmanship class in which the 4-H'ers who does the best job of showing his or her dog to the best advantage of the dog will capture the trophy. In this class the judge will be looking at how well the 4-H'er sets his dog up; that is the dog should be standing squarely on all four feet with his head held high and his tail in a normal carriage depending upon the breed being shown; also how well the dog goes on a lash with his handler. He should go straight away and straight toward the judge at a trot to be in correct form. The ninth class will be the Costume Class in which the dog with the cutest costume will receive the trophy.

The tenth and final class will be made up of the winners of the first six group classes. Also the six 4-H'ers will show for Best Dog in Show. The 4-H'ers of Appomattox hope you all will come and give support to our new project. Additional information, if desired, may be obtained from Jesse R. Ford, G. L. James, or Miss Lelia T. Mayton at the Extension Office in Appomattox.
